

ETA Business License System

Providing Software and Services to Municipal Government

ETA is a software company located in Opelika, Alabama. ETA was established in 1983 and is the largest provider of software to Municipal Government in Alabama. ETA's Business License System was designed specifically for cities in Alabama using the Alabama NAICS codes.

The ETA system offers a Windows user interface that gives our customers the ability to enter data fast and easy. Other time saving features also provide benefits that make short work of otherwise time consuming daily tasks.

The newest addition to the ETA Business License system is the ability to transmit the "MONTHLY MUNICIPAL BUSINESS LICENSE REPORT DATA"
